Description

EMUPHORIA ZIVA Nourishing Night Cream is a concentrated nourishing cream, rich in anti-oxidants that penetrate the skin quickly and effectively. It is enriched with Emu Oil (a rich source of Vit. E, Omega 3, 6, 7 and 9), Vit. A, Evening Primrose, Ylang Ylang, Avocado and Almond Oil. The anti-oxidant properties assist the cells in staying healthy and providing protection against the ageing process. It helps to restore the moisture levels, cultivates new cells and aids the skin to be more radiant.
